

P1/2 Coastal Trip to St Andrews

First we went on the bus. Next we went to the aquarium and we saw some seals getting fed. Then we went back on the bus. Then we got off the bus and went rockpooling. We saw some crabs and starfish and shrimps.

Lily P2

..... Then we went to the beach we saw starfish crabs and anemones. It was awesome until I fell in a deep rock pool. Then we went to the lab and saw our things close up and we got to hold them.

Thomas P2

.....We went to the beach we met a man and a lady they took us rockpooling. I saw a hermit crab in a snails shell then we went to the lab and explored the creatures.

Aiden P2

We got nets and buckets. Then qwe went away to the beach I found a shell. We found lots od shells. We found free crabs. Then we went into the lab. We got to hold starfish.

Tegan P2

Thank you for our perfect day at the beach! We learnt loads!
